

# FOREST HILLS BAPTIST CHURCH ENRICHMENT **CENTER**

SPRING 2020

## With Appreciation

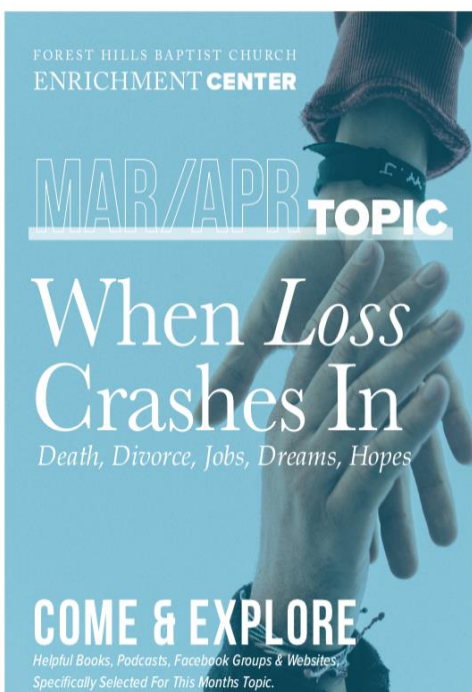

As we launch our new Enrichment Center Newsletter, our appreciation goes to **John McLemore** and **Tom Bartkus**. They served many years as our church librarians. Numerous men and women served with them, but John and Tom have been the mainstays dedicated to

resourcing the interests of our church family.

One of John's significant contributions took place after he accepted the responsibility for the library soon after joining our church. He automated the collection at that time with software that we continue to use today. He added each item to the new software—no small task!

When Tom joined our church, he became the library team's computer expert. He was an immense help to John in adding bells and whistles to the software that now links to the iCloud.

Thank you, gentlemen, for your dedication and commitment to serving your church family.

## Thank You!!

A year ago, people in our church prepared our library collection and moved items to the Enrichment Center and a storage area. Our appreciation goes to Sue Boyer, Carolyn Curry, Gayle Dyess, Donna Francis, Karen & Tim Hornbeak, Amy Layne, Cindy Lumpkin, Don Mauldin, Sheila Moss, Pam & Drew Nixon, Tricia Pedigo, Larry Pendergrass, Debbie & Dave Roberson, Jennifer & Ricky Widmer, and Steve Wilson. Many in this group continue to serve on the team.

## Sharing Our Thoughts

Our new, "FHBC Sharing Book", located next to the puzzle, is a place to share prayer requests, encouragement, or something you've learned in a Bible study, sermon, or devotional time. Lily Beall recently shared one of her favorite Bible verses. Let's encourage one another by sharing and reading what God is doing in our midst!

## Now Available

Those who use public libraries probably enjoy library APPS and online-access catalogs. Our Enrichment Center now has those tools, too.

- **Online Public Access Catalog:** Just like the public library, you can search our catalog, see what's new, and get the details about our Topics of the Months and future events. When you set up an account, you can save items in a book bag for future use. You can also renew items that you want to keep for another four weeks as well as reserve items that will be ready for you the next time you drop by the Enrichment Center.
- **Atrium on the Go:** Search for this free app in the APP Store. Email [Enrichment.Center@fhbc.org](mailto:Enrichment.Center@fhbc.org) for the connection information. With this app, you can search our catalog while standing in line at the store or a waiting room. Plus, you can scan the ISBN of a book or DVD at a store to see if we have that item. Atrium on the Go also has a book bag and a book list for you to save items. Access to our catalog is available through this app.

## FHBC is Now Fine Free

The Enrichment Center is a fine-free zone, especially for those items you meant to return but only recently found. You are welcome to return late items without the hassle of fines. Drop off your items through the glass slot in our drop box off the hallway or at the check-in sign just inside the Enrichment Center.

**Checkout Period?** 28 days (4 weeks) All items.

**Renewals?** Welcome in person or online!

## Self-Checkout

During Sunday School, you are welcome to check out items yourself.

- Find the Self-Checkout Sign on the counter as you enter the Enrichment Center.
- Fill out the form with your name and the item information—barcode number and title.
- If you have never checked out an item, fill out the form on the back of the Self-Checkout form. Leave the completed checkout form in the basket. We will set up an account for you. You will receive an email the next day to confirm your checked-out item with its due date.
